## A Scoring Chart for Judges to Use

This chart may help when your pupils are trying to select the book that they think should be this year's winner. You might find it useful to ask them to give each book marks out of 10. The "total" column will reveal which title they *should* vote for – but will this match their final decision?

Title	Style	Story	Stretch	Total
<p><b>Elephant in my Kitchen!</b></p> 				
<p><b>The Extraordinary Gardener</b></p> 				
<p><b>Brenda is a Sheep</b></p> 				
<p><b>Let's all Creep Through Crocodile Creek</b></p>
