<p>Maths and SPAG / English this week is in a new format. Two documents 'Maths & SPAG' activities and Guidance form the maths and SPAG / English learning for this week. Do look at the Guidance for how to complete the work, additionally I have added 'support' items to our website to help. Other helpful documents have been emailed directly to your parents as they are PowerPoints. I have added supplementary work in the form of challenges, as you all work at a different pace and some may need a little more consolidation. There is quite a lot of maths this week, therefore English is less 😊</p>					
English 1 hour	Synonyms & Antonyms Wordsearch	Using semi-colons to mark boundaries Tuesday SPAG Challenge	Subordinating conjunctions PP with exercises	Plan a story	Write a story: write into your home learning book rather than on the sheet.
Guided Reading	Complete at some point during the week 😊 <i>Not Even a Whisper</i> - to be found at the end of the Kestrels Maths & SPAG document.			Continue to read <i>Who Let the Gods Out?</i> If you fancy the sequel do get it and continue the set it's called <i>Simply the Quest</i> . They're such great reads and very funny too!	
Spellings 15 minutes	Words ending in -able and -ible Rule 39 on Spelling Frame years 5&6 Complete the spelling activity sheet and learn the words from the spelling list. Your spellings this week are the 11 words from Rule 41 - words ending in -ant, -ance/-ancy, -ent, -ence/-ency. The list is on the Kestrels website. Ask an adult to test you on Friday. Don't forget to look up any you don't know. The activity uses extra words that fit the rule - add these into your spelling list if you are feeling confident. There is also the activity on our home learning page 😊 There is also a KS2 Spelling Menu with lots of ideas to practise your spellings in last week's folder, if you missed it. https://spellingframe.co.uk/spelling-rule/34/39-Words-ending-in%E2%80%93ant%E2%80%93ance%E2%80%93ancy%E2%80%93ent%E2%80%93ence%E2%80%93ency-1-of-2
