

THANK FOSS ITS FRIDAY!!

☀ Save the date ☀

We are excited to announce that we are holding an outdoor cinema event on the school field on Saturday 11 May.

Films: we're hoping to have an afternoon kids showing of Wonka and evening adults showing of Top Gun

Food & drink: we'll have a bar, food stalls, ice cream, sweets etc etc

Tickets will go on sale soon via Ticketsource. The event will be open to the public so once the booking details come around please spread the word to friends and family. We are organising this as an alternative to a summer fair in order to attract more people from the community to contribute to our lovely school.
