

Governance

The Governing Body is responsible for (i) the vision, ethos and strategic direction of the school, (ii) holding school leaders to account for the educational performance of the organisation and its pupils and the effective and efficient performance management of staff and (iii) overseeing the financial performance of the organisation and making sure that its money is well spent.

The Governing Body has up to 12 Governors including staff, parents, a Local Authority nominee and members of the community (Co-opted Governors). As and when there are vacancies, applications are welcome from all eligible candidates. As of January 2024 there are 12 governors, 6 women and 6 men, all being 'White British'. The Chair is David Heath and Jeff Sharpe is Vice-Chair.

In 22/23 the Governing Body operated with Committees but from September 2023 is operating with Full Governing Body meetings, the PayCom and Head's Performance Panel only.

The Head's Performance Panel sets objectives for and reviews the performance of the Head and makes recommendations to the Pay Committee regarding the Head's pay.

The Pay Committee reviews the Head's recommendations regarding staff pay and decides the pay of the Head in the light of the recommendation of the Head's Performance Panel.
