9 March 2018

Dear Parents/Guardians

We have been busy preparing our STEAM week that will run during British Science Week Monday 19<sup>th</sup> until Friday 23<sup>rd</sup> March 2018. Tonight your child will bring home their STEAM inspired homework which is due in on Friday 16<sup>th</sup>.

We have planned for the whole school to experience Winchester's Mobile Planetarium in our hall, working engineers to come in and share their work, an engineering design competition and scientists from TPS coming. The junior children will be using micro bits and crumbles with TPS and Churcher's!

I have managed to get most of this free of charge for us except the planetarium and would therefore like to ask for a donation of £4 per child to cover this cost. Although contributions are voluntary, the visit can only take place if all parents contribute. We can, however, in some circumstances, take your personal circumstances into account; please arrange to speak to Mrs Robinson in confidence if necessary. Donations can be made online or by cash/cheque to the office.

It's set to be an amazing, creative and fun week set to inspire our young scientists and engineers out there!

Best regards

**Mrs Robinson  
Headteacher**

## STEAM Week : 19 - 23 March 2018

I enclosed a £4 donation for the STEAM Week activities.
