5 December 2018

Dear Parents/Carers

Please find attached the after school club list for the Spring Term; clubs will run from week commencing 14th January until w/c 25th March 2019.

We have a new club this term, Cartoon Club run by Gary Boller, who is a local cartoonist, illustrator and animator and has worked for the Beano and Dandy. The children can learn how to draw cartoons, creating a character for a card or making a comic strip. We also have the return of STEM Club with lots of new projects including Fidget Spinners, Fan Cars and Slime.

The majority of our clubs are run by outside organisations with a fee being charged which is paid directly to the club organisers – these need to be paid in advance. A copy of their registration documents will be sent to parents of children signing up for the club.

If we can have the forms back by **Thursday 13 December**, we will be able to let you know by the end of term which club(s) your child will be in for the Spring term. As previously, **we cannot accept applications by email**, so please complete a paper form and return it to the office via class teacher. (*Please do not bring it directly into the office*). Priority will be given to children in the order that we receive the paper forms back. * If you have any difficulties printing a form, please pick one up from the office or email us and we can send one to you via book bag.

In addition to these clubs, there will continue to be "The Owls" after school care provision run by Ms Sharman, every day until 5.30pm, booking for this can be made online for via Tucasi.

Best regards
