Dear Parents

A very Happy New Year to you all!

If you didn't see my Spring letter sent by email, you may have missed the news that planning permission has been granted for our library/outdoor classroom. It is great news and if you can help at all with fundraising for the final £15,000 please let me know as we need to get cracking!

The school term has started really smoothly with lots of happy children and staff. Robins are thinking about 'people who help us', Kingfishers are learning all about toys over the years, Herons are going to enjoy the rainforests topic and Kestrels will be studying extreme adventures. Topic webs will be out next week but if you know of any thing or one who may complement any of the topic areas please let us know.

It's a busy term, so please see attached diary dates for the rest of the term.

If you are shopping in Waitrose please put a token in the pot for the library! We have been fortunate to get the Easter weekend as a bag pack in Tesco for the library—this is always a great fundraiser, please allow your junior child to come along and help us on Saturday 20th April. It only works if we have the lovely children to chat up the customers!!

I think that's about it from me this week, please read the email letter sent earlier in the week with lots of reminders etc.

Have a great weekend!

*Juli Robin*
