

THANK FOSS ITS FRIDAY!!

Hello everyone, we have some really exciting events coming up towards the end of term.

Drumroll please.... on **Weds 8th and Thurs 9th July we have two very special performances of The Lion King by our talented juniors.** Although this isn't strictly a FOSS event we have put the tickets on classlist to make it easy for everyone. As Mrs Hines said, these are at the bargain price of £5 for adults and free for children! We're also looking for a couple of volunteers to help man the bar.

Here are the links, which also work for people outside school eg grandparents:

Weds 8th July - performance 1 <https://app.classlist.com/events/#/events/view/1470600770>

Thurs 9th July - performance 2 <https://app.classlist.com/events/#/events/view/1486600778>

And as if that wasn't exciting enough, on **Friday 10th July we are holding our famous Colour Run after school.** This is an absolute highlight of the year for all the kids. The event starts with a massive water fight and then the kids do laps of the school field getting covered in coloured powder. They get very colourful and they love it!! Its also a great opportunity for us to say goodbye to our lovely Year 6s. Tickets are £3 per child and Year 6s go free! Tickets will be available on Classlist very soon and we'll also be looking for lots of volunteers to throw powder and run ice cream and drinks stalls.

Sadly these will be my last events as Chair of FOSS (although I will do fireworks!). We are still looking for someone to be the new Chair. It is genuinely a great role - you organise fun, easy events that the kids love, while making money which all goes straight back to school to fund resources for our children. Win win! And you'll never be doing it alone - there's Rob the Treasurer and a great network of FOSS class reps and other volunteers to help you out. Please do chat to me after school one day if you have any questions.

Just in case you didn't know, FOSS paid for the recent visit by the UK's tallest man (which had the kids talking for days!), funds school trips, the wonderful outdoor classroom and wildlife garden, sports day equipment and much more.

Thanks for reading!

Tamar
