To formulate our Long Term and Medium Term plans for History we have paid close attention to the links that can be made with other subjects, specifically geography, and leveraged commonalities to enable the children at Sheet to develop and embed their knowledge and skills within and across the curriculum.

Due to the mixed-year group structure at Sheet Primary School, we have developed a three-year rolling curriculum to be taught to years 1 and 2 providing them with exposure to each NC criteria at least twice. Early Years children will, by the nature of being in the mixed year group class, develop exposure to KS1 geographical themes and skills, however these will be tailored to their developmental age and be assessed against the EY leaning goals.
